

REQUEST FOR PROPOSALS FOR RACK MOUNTED SERVER

The City of Covington is seeking proposals from qualified vendors for a new rack mounted server. The city is requesting proposals that meet the requirements as stated in the RFP packet. The City is not specifying a particular vendor solution. It is anticipated that respondents will evaluate the City's requirements and propose the best solution for the City's needs.

Vendors may receive the RFP Specification document by sending an email request to bids@covingtonwa.gov.

Proposals must be received by September 23, 2016 by 4:00 PM at the above email address.
