

What is included with my registration? Each player will receive 8 games during the season (7 in volleyball and spring soccer) and a team dri-fit shirt. Players must provide their own shoes, water bottles, & any other specific equipment.

How do I register? You can register online or by calling the Covington Aquatics Center at 253-480-2480.

How do I sign up to coach? All of our coaches are volunteers, and as long as we have room, we would welcome anyone that wants to volunteer and coach. The coaching application can be found at www.covingtonwa.gov/athletics/youth.html

How do I receive the 50% head coaches discount? Head coaches receive a 50% discount on their child's registration. To receive the discount, a completed coaching application must be emailed to athletics@covingtonwa.gov. Wait until you receive a confirmation email before registering to ensure discount gets applied.

Do you offer scholarships for those in need? Yes, Covington Parks & Recreation's scholarship and fee waiver program is available to those who qualify for the free or reduced lunch program through the school district. More information about scholarships and fee waivers and how to apply can be found on our website or by calling 253-480-2480.

When are practices? Teams will practice one night each week for one hour (some teams practice for 45 minutes, other coaches choose 90 minutes). Practice days and times are decided by the team's volunteer coach. If you have practice restrictions and are not sure if you can play, you could volunteer to coach the team and then can pick the practice day and time that works for your schedule.

When are games? Games will be played on Saturdays between 9am-7pm (maybe even later depending on the number of teams that register) at local schools.

Can I play with my friends? Friend requests can be included when registering and we will try our best to place you together but requests are not guaranteed. Most leagues will not accept special requests now but we are still trying to make it work for the players.

Can I request a specific coach? Coach requests can be included but again, they are not guaranteed.

Can I switch teams? No, it is very difficult to switch teams. If you are placed on a team that you do not like or that has practices on nights you cannot attend, we will do everything we can to find another team, but will also offer a refund.

Can I move up a division? You must request to move up and it will be up to the Athletics Coordinator to decide if that request can be fulfilled.

I can't practice the night my team's coach chose. What should I do? Very rarely will openings develop on other teams and you MIGHT (we stress, MIGHT!) be able to change teams. E-mail the league coordinator at athletics@covingtonwa.gov to see if a change can be done.

Can I request a refund? Refunds must be requested before the first game. If you break a bone or have another medical reason that you cannot participate, you can request a refund. Be sure to review our refund policy listed on the City's website.

When will the game schedule be posted? The game schedule will be posted usually a month prior to the first game. We know it is hard to plan with only a month notice but at the entire game schedule will be posted at that time.

How do I hear about cancellations due to the weather? The weather hotline is updated weekly, 253-480-2489.

Do I have to live in Covington or go to a Covington school to play? No you do not. We accept anyone and everyone, no matter location.

Who do I complain to? Complaints can be sent to the league coordinator, Sean Conway. athletics@covingtonwa.gov
