Community Open House  
Wednesday, Jan. 21 • 4:30–6 p.m.

Join us for an open house to learn more about this project.

This is a non-motorized transportation project that will construct a multi-use trail between SE 267th Place and SE 268th Street through Jenkins Creek Park. This project will replace the pedestrian bridge that was washed out from a storm and once again connect neighborhoods to Jenkins Creek Elementary as well as provide ADA and bike access to and from the downtown core.
