FREE MINOR HOME REPAIR STILL AVAILABLE

The City's Minor Home Repair Program has provided repairs for dozens of low-to-moderate income homeowners. There are current opportunities to apply for a Minor Home Repair grant with the City of Covington. This program is funded by a Community Development Block Grant and provides free home repair for eligible minor home repair projects like repairing or replacing hot water heaters, gutter damage, and other types of problems.

To be eligible, the home must be owner-occupied and located within city limits. There is a one-year residency requirement and homeowners must have no plans to sell their home within a year. Owners must also be income eligible according to HUD income guidelines.

Income eligibility is determined by total gross annual income of ALL household members:

- Family size of one with income up to \$46,100
- Family size of two with income up to \$52,650
- Family size of three with income up to \$59,250
- Family size of four with income up to \$65,800
- Family size of five with income up to \$71,100.

If you are a Covington homeowner in need of home repair don't hesitate to call today for a brief phone screening at 253-480-2411.
