## HOMEOWNERS ASSOCIATION & CITIZEN FORUM

This aerial view shows part of Covington's Town Center.

**Tuesday, April 29**  
**7-8:30 p.m.**  
**@ City Hall**

City staff will provide an update on the Town Center and Hawk Property followed by updates from city departments including police, public works, and community development. Residents will have the opportunity to ask questions and talk about important issues, too.

Attending the HOA/Citizen forums are a great opportunity to learn all about what's happening in the City of Covington like current projects, future plans, funding issues, public safety and more. The April Forum will focus on economic development and updates from various city departments.
