Special Public Swims At Covington Aquatic Center

Special Public Swims

Nothing to do when school is out? Are you a home school student and want to get together with other home school students for some fun? Come to a Special Public Swim. The entire pool is open, including the diving board, slide, rope swing, and the magic carpet. Those wishing to swim in deep water must pass a swim test (lifejackets may be used). All children 6 years of age, or less than 48" in height must be accompanied in the water and directly supervised by an adult (18 and over) at all times.
