If you come more than 25 times during a 3-month membership, then it is less expensive than drop-in rates. **That's only twice a week.** And if you come more than 27 times during a 3-month membership, then it is less expensive than buying 10-visit discount cards.

#### 12-month Unlimited Use Memberships are worth it!

If you come more than 50 times during a 12-month membership, then it is less expensive than drop-in rates. **That's only once a week.** And if you come more than 55 times during a 12-month membership, then it is less expensive than buying 10-visit discount cards.
