Request for Proposals
for
Comprehensive Emergency Management Plan Update

The City of Covington is seeking proposals from qualified consultants to evaluate the City of Covington's Comprehensive Emergency Management Plan (CEMP). The consultant will evaluate the current plan and will assist in updating the plan to ensure compliance with city, county, state, and federal requirements related to emergency planning. All assessment, evaluation, and development will be completed in conjunction with the City of Covington's emergency management planning committee and relevant stakeholders.

Consultants may pick up the RFP Specification Packet at Covington City Hall located at 16720 SE 271st Street, Suite 100, Covington, WA 98042 or by sending an email request to Shellie Bates at sbates@covingtonwa.gov

Proposals must be received by October 31, 2014 by 4:00 PM at the above address.
