

CALL FOR BIDS
TIMBERLANE-JENKINS STORMWATER LID
SITE 1: BIORETENTION AREA AND GROUNDWATER DIVERSION
ENGINEER'S ESTIMATE \$138,000

Sealed Proposals will be received by the undersigned at the City of Covington, 16720 SE 271st Street, Suite 100, Covington, Washington 98042, up to 2:00 p.m.; local time on Thursday, June 9, 2016, for furnishing the necessary labor, materials, equipment, tools, and guarantees thereof to construct the Timberlane-Jenkins Stormwater LID Site 1: Bioretention Area and Groundwater Diversion project.

This Contract provides for the retrofit of stormwater facilities within portions of the existing drainage easement areas within Timberlane Estates. An existing wet pond near Cedar Valley Elementary School at the intersection of SE 263rd Street and 193rd Place SE is currently limited in its efficacy due to high groundwater. The retrofit includes the installation of an interceptor trench and vaults to provide drainage for upslope runoff, decreasing offsite flows to the pond, as well as renovating the pond to a bioretention facility.

The Work shall be substantially complete within 80 working days after the commencement date stated in the Notice to Proceed. All bidding and construction is to be performed in compliance with the Contract Provisions and Contract Plans for this project and any addenda issued thereto that are on file at the office of the City Clerk, City Hall, Covington, Washington.

The Proposals will be publicly opened and read aloud shortly after the time and date stated above. Proposals are to be submitted only on the form provided with the Contract Provisions. All Proposals must be accompanied by a certified check, cashier's check, money order, or bid bond payable to the "City of Covington" and in an amount of not less than five percent (5%) of the total amount bid.

Contract Provisions and Contract Plans may be *examined* at the office of the City of Covington, local plan centers in the project area, or the office of the Project Engineer, Gray & Osborne, Inc. Licensed Contractors and Material Suppliers may obtain a copy of the Contract Provisions and Contract Plans, free of charge, in electronic format (PDF on compact disk(s)) along with registration as a planholder *only* at the *Seattle* office of the Project Engineer, Gray & Osborne, Inc., 701 Dexter Avenue North, Suite 200, Seattle, WA 98109, (206) 284-0860. Request for Contract Provisions and Plans may be faxed ((206) 283-3206) or emailed (grayosborne@g-o.com). Request must include company

name, physical address, phone and fax numbers, and email address. Registration as a planholder **is required** to obtain Contract Addenda. Contract questions shall be directed only to the office of the Project Engineer.

Financing of the Project has been provided by the City of Covington, Washington and the Washington State Department of Ecology. It is anticipated that this project will be funded in part by the Washington State Department of Ecology. Neither the State of Washington nor any of its departments or employees are, or shall be, a party to any contract or any subcontract resulting from this solicitation for bids. The City of Covington expressly reserves the right to reject any or all Proposals and to waive minor irregularities or informalities and to Award the Project to the lowest responsive, responsible bidder as it best serves the interests of the City.
