

KEEP COVINGTON CLEAN

Covington needs your help to get rid of graffiti!

The City is preparing a campaign to “Clean Covington” free of graffiti and we need your help. Local businesses like you that provide products to aid in graffiti removal are essential to making this campaign a success.

What can local businesses do to help “Clean Covington”?

We are putting together 100 Graffiti Removal Kits that will be available to residents of Covington that are victims of graffiti. To make these kits, we need to round up the following contents from sponsors:

Graffiti Removal Spray/Solvent
Latex Gloves
3” and 4” Foam Brushes
Paint Trim Trays
Masking Tape

Scrubbing Sponges or Brushes
Sand Paper
Disposable Towels
Coupons for Paint
Paint Buckets (to hold kit contents)

What’s in it for you?

Not only will you get to take pride in knowing you are keeping Covington clean, you will also enjoy the perks of being a Graffiti Removal Kit sponsor, including:

- Inclusion in Kit Instruction/Direction pamphlet as sponsor and outlet to purchase graffiti removal supplies for residents and HOAs
- Opportunity to include coupons in Graffiti Removal Kit
- Inclusion in all marketing: Web site, newsletter, press releases, displays at Covington Days, National Night Out, etc.

Help now!

To donate products, money or discuss other sponsor opportunities, please contact Karla Slate, City of Covington Community Relations Coordinator at (253) 638-1110 ext. 2234 or kslate@ci.covington.wa.us

Don’t miss our first community day dedicated to getting rid of graffiti:
Clean Covington Day - Saturday, September 12
