**NOTICE:** Separate permits and approvals may be required for this project. Every permit issued by the Administrative Authority under the provisions of the City of Covington Code shall expire by limitation and become null and void if the work authorized by such permit is not commenced within 180 days from date of issuance of such permit, or if the work authorized by such permit is suspended or abandoned at any time after the work is commenced for a period of 180 days. Issuance of a permit does not authorize any work in public right-of-way or on utility easements. All provisions of laws and ordinances governing the type of project shall be complied with whether specified herein or not. The granting of a permit or an approval does not presume to give authority to violate or cancel the provisions of any other federal, state, or local laws regulating construction, the performance of construction, and/or operation of the project. **I hereby certify** that as a contractor I am currently registered and properly licensed as defined in RCW 18.27 or as a property owner I am exempt from the requirements of the contractor registration and will do all my own work or use properly licensed subcontractors in connection with the work to be performed under this permit. **I hereby certify** that I have read and examined this application and know the same to be true and correct, and if any of the information provided is incorrect, the permit or approval may be revoked.
