ORDINANCE NO. 06-2020

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF COVINGTON, KING COUNTY, WASHINGTON, AUTHORIZING THE CITY MANAGER TO ACQUIRE, DISPOSE, OR LEASE CERTAIN REAL PROPERTY INTERESTS BY NEGOTIATED VOLUNTARY DONATION, NEGOTIATED VOLUNTARY PURCHASE, UNDER THREAT OF CONDEMNATION, BY CONDEMNATION, BY SETTLING CONDEMNATION LITIGATION OR ENTERING ADMINISTRATIVE SETTLEMENTS, AND TO PAY ELIGIBLE RELOCATION AND REESTABLISHMENT BENEFITS TO AFFECTED PARTIES AS NECESSARY FOR THE PURPOSE OF INSTALLING AND MAINTAINING CERTAIN INTERSECTION AND ROAD IMPROVEMENTS ON THE COVINGTON CONNECTOR (CIP 1201), COVINGTON, WA.

WHEREAS, the City of Covington ("City") has reviewed and approved specific project plans for installing and maintaining certain intersection and road improvements on SE 272nd Street and 204th Avenue SE, Covington, WA; and

WHEREAS, the City has determined that it must acquire certain property and/or property rights in order to construct the improvements; and

WHEREAS, on June 14, 2016, the City of Covington City Council ("City Council") approved and adopted the City of Covington Acquisition and Relocation Policy, Procedures, and Guidelines; and

WHEREAS, in order to acquire the property rights determined to be necessary for the project, the City must acquire by voluntary donation, voluntary negotiated purchase, or by condemnation certain property rights in the property described in Exhibit A for public purposes, and to pay eligible relocation and re-establishment benefits to affected parties; and

WHEREAS, the City of Covington commissioned appraisals to determine the fair market value of the property rights and has been negotiating with the owners of the property rights to a negotiated purchase, but, if necessary, may need to acquire some or all of the property rights by condemnation; and

WHEREAS, the funds necessary to acquire the fair market value of the property rights shall be paid from City funds; and

WHEREAS, prior to the City Council’s action on this ordinance, the City provided requisite notice to property owners in the manner provided for in RCW 8.12.005 and RCW 8.25.290; and

WHEREAS, this final action complies with Governor Jay Inslee’s Proclamation 20-28, issued on March 24, 2020, and as updated or amended in response to the COVID-19 health crisis; and

WHEREAS, the final action to be taken as described herein, is necessary for the City to continue with its essential public facility transportation projects, and it is part of the routine business of the City Council;

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF COVINGTON, KING COUNTY, WASHINGTON, DO ORDAIN AS FOLLOWS:

SECTION 1. The City of Covington City Manager ("City Manager") is hereby authorized to execute such agreements as are customary and necessary for the acquisition, lease, or disposal of the real property interests described in Exhibit A and for the payment of eligible relocation and re-establishment costs, said property to be used for the construction of the Covington
Connector – 204th Avenue SE and SE 272nd Street Project ("Project"). In accordance with the City’s adopted Real Property Acquisition and Relocation Policies, Procedures and Guidelines, the acquisition price of the property shall not exceed the fair market value to be determined through the appraisal process; provided that in the event the total of the acquisition, relocation and re-establishment costs of the property exceeds the City’s approved budget for the Project right-of-way acquisition, then the City Manager shall obtain approval from the City Council before acquisition of the property by purchase or condemnation.

SECTION 2. The City Manager is hereby authorized to settle condemnation litigation or enter administrative settlements (a settlement in lieu of initiating condemnation litigation) for the acquisition of the real property interests described in Exhibit A. Such settlements shall be made only upon the recommendation of legal counsel, for amounts deemed to be a reasonable estimation of fair market value and shall not exceed established budgets.

SECTION 3. The City Council deems the Project to be a public use for a public purpose. The City Council deems it necessary and in the best interests of the citizens residing within the City boundaries to acquire the property rights identified in Exhibit A as being necessary for the Project. The Project and resulting improvements will be part of the right-of-way owned by the City and open for use by the general public; therefore, the use of property, property interests, encumbrances, and/or easements condemned herein for the Project constitute a public use. The City Council finds that the public health, safety, necessity, convenience, and welfare demand and require acquisition of the property described in Exhibit A and the City Council directs that all or any portion of the property identified in Exhibit A be immediately acquired by voluntary agreement, or in lieu of agreement, that said property be condemned, appropriated, taken, and damaged for the construction, operation, and maintenance of the Project and that eligible parties be paid relocation and reestablishment costs associated with displacement from the property.

SECTION 4. In addition to the authority granted the City Manager in Section 1 above, condemnation proceedings are hereby authorized by the City Council and the authority is hereby delegated to the City Manager to take action as related to such condemnation proceedings to acquire all or any portion of the property or property rights described in the attached Exhibit A for the purpose of constructing, owning, and operating the Project. The City Manager is also authorized to make minor amendments to the legal descriptions of property described in the attached Exhibit A, as may be necessary to correct scrivener’s errors and/or to conform the legal description to the precise boundaries of the property required for the Project.

SECTION 5. Pursuant to RCW 8.12.005 and RCW 8.25.290, notice of the consideration of this ordinance was properly issued by mail on April 13, 2020 to all potentially affected property owners and published in the proper legal newspaper on April 15, 2020 and April 22, 2020.

SECTION 6. The funds necessary to acquire the property by purchase or to pay just compensation adjudged due after condemnation shall be paid from the City’s Capital Improvement Program funds.

SECTION 7. This ordinance shall be in full force and effect five days after its passage, approval, and publication as provided by law. A summary of this ordinance may be published in lieu of publishing the ordinance in its entirety.

SECTION 8. If any provision of this ordinance is determined to be invalid or unenforceable for any reason, the remaining provisions of this ordinance shall remain in full force and effect.

SECTION 9. The City Clerk and the codifiers of this ordinance are authorized to make necessary corrections to this ordinance including, but not limited to, the correction of any scrivener, clerical errors, references, ordinance number, section/subsection numbers and any references thereto.
SECTION 10. Any act consistent with the authority and granted herein taken prior to the effective date of this ordinance is hereby ratified and affirmed.

SECTION 11. This final action is necessary for the City to continue with its essential public facility transportation projects, and it is part of the routine business of the City Council.

PASSED by the City Council on the 28th day of April 2020 and signed in authentication thereof.
