

**Request for Qualifications**  
For Professional Engineering Services in the design of  
**SR 516 and Covington Way Intersection Improvements Project**  
**(CIP 1063)**  
Covington, WA 98042

**The City of Covington is requesting qualifications from qualified engineering consultants or consultant teams with experience in preparing design plans and specifications and cost estimates for civil and transportation projects.**

The City will conduct interviews with 3-5 qualified consultants for the SR 516 and Covington Way Intersection Improvements Project. The selected consultants should be knowledgeable about Washington State and City of Covington standards, State and Federal regulations, and project implementation requirements. Must have experience in culvert replacement projects, roadway widening projects, traffic signal projects, utility projects, environmental permitting, and Federal, State, and County funded projects.

The City of Covington encourages disadvantaged, minority and women-owned consulting firms to respond. The project has a mandatory 9% UDBE goal.

**Americans with Disabilities Act (ADA) Information**

The City of Covington in accordance with Section 504 of the Rehabilitation Act (Section 504) and the Americans with Disabilities Act (ADA), commits to nondiscrimination on the basis of disability, in all of its programs and activities.
